The following answers/clarifications are provided for informational purposes only, and are in response to questions received.

Question 1: Is there currently an incumbent on this project, and if so, who are they?

Answer 1: No, there is not an incumbent contractor for this effort since the Volpe Center has not previously contracted for the nine functional areas that comprise the Fire Life Safety Program Engineering Services.

Question 2: How heavily weighted is FAA experience in relation to other large federal Government experience that the firm may have?

Answer 2: The evaluation criteria do not provide for weighing FAA experience more heavily than other large federal Government experience.

The due date for receipt of proposals is unchanged. All terms and conditions of the solicitation remain unchanged and in full force and effect.
